DORAL BOX 100's

Announcing. . . Great DORAL Taste - Now in Box 100's

Introductory Area

Two additional styles of DORAL - Full Flavor Box 100's and Lights Box 100's - will be available in the Pittsburgh and Buffalo Regions in February 1997.

These new styles are being made available in all divisions within Pittsburgh and Buffalo Regions due to Field requests based on opportunity to build business, predicated by Box 100's development and growth.

Product and Packaging

The Box 100's packaging graphics are closely tied to the current soft packs but noticeably different with the addition of a gold box below the DORAL name and large box copy on the pack face, top and bottom. Both Box 100's products will have cork filters (consistent with our DORAL Full Flavor and Light 100's soft pack styles) which will be competitive with GPC Box 100's styles.

Proposition and Marketing Objectives

Introduce and compete for price vulnerable adult smokers with preferences towards Box 100's packaging while enhancing total DORAL family image and position.

DORAL Full Flavor Box 100's and Lights Box 100's will broaden DORAL's business opportunity into the growing Savings Box 100's category. The product is the same as our traditional high quality DORAL blend that Savings smokers prefer, but now in a packaging configuration that is more suited to your customers' preferences.
